

February 2018

When does Lent 2018 start and end?

This year, Lent starts on **February 14th** which is also known as **Ash Wednesday**, and all families in our Faith Formation Program should attend Mass here at OLL at 6:30pm. Lent is a 40-day fast, and goes until the summit of the Liturgical Year that is known as Triduum—from the evening of Holy Thursday to the evening of Easter Sunday. Though chronologically three days, they are liturgically one day unfolding for us the unity of Christ's Paschal Mystery. The single celebration of the Triduum marks the end of the Lenten season, and leads to the Mass of the Resurrection of the Lord at the Easter Vigil.

<p>Our youth are going on the Mission Trip this June and will be selling Mike's Popcorn as a fundraiser. Mike's is a small Wisconsin business and has ties to one of our members at Our Lady of the Lakes. It is a great product and a great opportunity for us to continue to raise funds. Thank you for your consideration and most importantly thank you for your prayers and continued support as we work towards our Mission Trip.</p>				<p>1 Mass 9am <i>Anointing of the Sick</i></p>	<p>2</p>	<p>3 Mass at 6:00pm <i>St. Blaze Blessing</i></p>

Pick of the Week

This week's Pick is the Day of Prayer for the Legal Protection of Unborn Children, Monday, January 22. According to the General Instruction of the Roman Missal, January 22 is to be a communal day of **prayer** "for the full restoration of the guarantee of the right to life" and **penance** "for violations to the dignity of the human person committed through acts of abortion." Whether we participate in one of the local or nationally organized events, or choose to make an act of prayer and penance on our own or within our own family, the important thing is that we do something to intercede on behalf of the most vulnerable among us, the unborn child. Do not let this opportunity pass to raise with one voice a cry for protection and justice for the weakest of the weak among us.
